## A VILLAGE HOME

Where Pe-ru-na Is Used As An All-Round Reliable Family Medicine.

There Are Thousands of Similar Homes In Which Pe-ru-na Is Being Used With the Same Excellent Results.

Fountainville, Pa., Feb. 16, 1902.

S. B. Hartman, M. D.

Dear Sir: I have been thinking of writing to you for some time to let you know what Peru-na did for me.

I am 57 years old. I lost my health about six or seven years ago. I first had dyspepsia and employed different doctors.

Last year I injured one of my kidneys. I had one of the best doctors for that. He put me to bed, not to move for two weeks.

I slowly recovered, but was so weak and prostrated that I could walk but a short distance. In fact, I had to keep quiet.

I took several remedies, but obtained no relief. I also had catarrh in some form.

My wife advised me to take Peru-na, and it was with pleasure that I can say that by taking one and one-half bottles of your Peru-na, it cured me and I feel all right. I send this with many thanks to you, as I enjoy life again.

My wife has also been taking your Peru-na for asthma and it helps to relieve her. We keep your Peru-na in the house constantly. Again I say I thank you for Peru-na. Sincerely yours,

PHILIP KRATZ.

Fountainville, Pa., Nov. 9, 1903.

Dr. S. B. Hartman.

Dear Sir: I have good health now and your valuable medicine gave me good

health. I have had no doctor for some time, as I do not need any. When I take cold I take Peru-na, and in a short time I am all right. My wife is subject to asthma. She takes Peru-na at that time, and she has had no need for a doctor for some time. With many thanks for your medicine, we remain, sincerely yours,

PHILIP KRATZ.

Fountainville, Pa., April 16, 1906.

Dr. S. B. Hartman.

Dear Sir: We have Peru-na in the house all the time, and when we think we need it, we take it. We are about 60 years old and have not called a doctor to our place for some years.

We go out in all kinds of weather and sometimes when we go on a trip we take Peru-na along. A preventive is better than a cure. That has been our experience.

I had poor health some years ago and when I found your medicine I hit the right thing. We both thank you for your good medicine. Sincerely yours,

PHILIP KRATZ.

Witness to Signatures.

I, John Donnelly, mayor of Doylestown, Pa., have been acquainted with Mr. Philip Kratz for twenty-five years. I know him to be an honorable and useful citizen. He, in my presence, signed the above statements concerning Peru-na, which I have every reason to believe are true in all particulars.

(Signed) JOHN DONNELLY, Esq.

## Requisites of the Modern Library

THE STUDY TABLE should be spacious, not necessarily expensive. A FEW EASY CHAIRS—a reclining chair, a rocker or a Morris' chair are conveniences to which youth and old age are partial. THE WRITING DESK at hand makes possible the systematic carrying on of household business affairs and is really a necessary article in this room. RUGS or other floor coverings contribute warmth and add the finishing touches to this quiet, retired family scene. APPROPRIATE PICTURES always have an inspiring effect—Draperies and portieres may be used in good taste.

Let one of our expert decorators call. He will offer suggestions that will be so inexpensive and yet so valuable that it will give a new meaning to this part of your home life.
